A Boyd teenager was killed in a wreck Tuesday afternoon south of Azle.

Paul J. Mansmann, 18, was transported to an Azle

hospital where he was pronounced dead.

According to Texas Department of Public Safety spokesperson Sgt. Ricky Hunter, the wreck was reported as a single-vehicle crash on Church

Road near Twin Creek Road in rural Parker County just after 5 p.m.

“Preliminary investigation indicates a 2013 Toyota Corolla was traveling north on Church Road and, for an as yet undetermined rea-

son, left the right side of the roadway and struck a pipe guardrail,” Hunter said. “The Toyota went through the guardrail and down into a creek bed. The vehicle then rolled onto its driver’s side and came to rest.”
