Kodie Lee Outlaw

Kodie Lee Outlaw was born Jan. 2, 2006, in Decatur to her loving parents Jesse and Carrie Outlaw. Kodie left this earth June 4, 2021, at her home in Alvord.

Funeral was Tuesday at the Alvord High School Gymnasium with burial at Alvord Cemetery. Charlie French officiated. Pallbearers were Jay Outlaw, Therion Hoppe, Michael Crafton, James Holder, Dalton Outlaw, Justin Gosnell, Sawyer Alvis and John Farin. Honorary Pallbearer was Dylan Ashlock.

Kodie was the baby of the family, following her big sister Jesse and big brother Dalton. From the day she was born, Kodie was full of spunk and spirit and idolized her older siblings.

Although Jesse and Dalton were only a few years older, their parents already had them active in activities such as sports and beginning to get involved in the world of 4H. By the age of 4, Kodie was already in the rabbit barn with her family learning the ways of the show rabbit world. Her love and passion for all animals was almost instant and unwavering, and the JC3 Show Team was born.

Over the years, Kodie and her family showed multiple species of livestock, including rabbits, market goats, dairy goats, horses, and cattle. Kodie loved it all, but showing cattle was where she found her true calling. The cattle ring was always Kodie's happy place and there was no place she would rather be than hauling down the road with her family heading to the next show.

In Kodie's short 15 years, she lived life to the fullest and had many accomplishments, including multiple year Alvord 4H officer, multiple year Alvord FFA officer, many major and national level championships with multiple species of livestock. She competed on multiple FFA and 4H competition teams, at the state level with the Alvord Archery Club, showed cattle in every major livestock show in Texas and started her own herd of registered Hereford show cattle.

Kodie was a member of the Alvord 4H, Alvord FFA, Texas Junior Hereford Association, American Hereford Association, American Rabbit Breeders Association, National Junior Flemish Rabbit Breeders Association, Texas Rabbit Breeders Association and the Alvord United Methodist Church.

Kodie also was a regular volunteer with the Meals on Wheels Organization, and the Heart of Champions Livestock show. However, her most exceptional accomplishment is her work ethic and dedication to her livestock and that she always helped others no matter where she was or what she was doing and last but not least, she had a very impressive herd of barn cats that she managed.

Kodie is now in heaven with her family that went there before her, including her LuLu, Memaw, Granny, Grandad, Paw Paw and Uncle Jason who have certainly already hauled her to the biggest and best cattle show that heaven has to offer. Kodie leaves behind her family including her parents Jay and Carrie Outlaw; sister Jesse Outlaw; brother Dalton Outlaw; Uncle Therion and Aunt Cindy and family; Aunt Stuffy and Sawyer; Nanny Kay Crafton and family; Aunt Courtney and Uncle Dustin and family; Great Aunt Carolyn and family and many other family members. As well as her beloved show family James, Deana and Madison Holder and Justin Gosnell.
