Natalie Marie Reneau, born on Sept. 21, 2018, in Fort Worth to Chuck and Meagan (Womack) Reneau, left this world on July 6, 2024. She was a precious soul who brought immense joy and love to all who knew her. Natalie, fondly known as "Nat Nat," had a heart filled with kindness and a

spirit that brightened every room she entered. Her vibrant personality and infectious laughter were a source of light to everyone around her. Natalie had a profound love for nature and animals, evidenced by her hobbies of catching ladybugs, spending time in the garden, swimming, spending time with her two beloved dogs and petting all creatures that crossed her path.

One of Natalie's favorite pastimes was exploring the wonders of the world around her – from smelling every flower she encountered to taking golf cart rides that filled her with excitement. Her artistic side shone through in her love for drawing rainbows and twirling in pretty dresses that matched her colorful spirit.

Despite her young age, Natalie possessed a nurturing soul, displayed by a habit of praying for everyone she held dear. She cherished moments with family and friends, especially when she could playfully boss around her younger sister, Rachel, with a mischievous twinkle in her eyes. Despite her tender age at the time of passing, she has left an indelible mark on everyone who had the privilege of knowing her.

Those left to cherish her memory are her parents, Chuck and Meagan Reneau of Chico; sister, Rachel Reneau of Chico; grandparents, Ron Womack of Paradise, Greg and Brenda (Clark) Collins of Throckmorton, Charles Reneau of Munday; great-grandmother, Doris Womack of Paradise; aunts and uncles, Kyle and Lois (Reneau) Lewis of Olney, Jason and Mandi Womack of North Richland Hills, and Jimmy and Geri Collins of Throckmorton; cousins, Matt, Lane, Will, Cason, Phifer, Mason, Jaxon and Averi.

Natalie is preceded in death by her uncle, Curt Redden of Weatherford; and grandmother, Tammy Womack of Paradise. In lieu of flowers, please send donations to Cook Children's Hospital at:
